MD	Slotted grating 10/85 replaced EDP-No. 010152718	Galv. steel	500	152719	280584	280	2.80	300

This is how easy channel grating disassembly can be:

All you need are work gloves and the MEA® grate hook. With these, pull out the first channel grating in a channel run. You can now remove all the rest comfortably by hand.
